Can help save a child's life!*

Dear Friend of Philoptochos:

Under the High Patronage of His Eminence Archbishop Elpidophoros of Bursa of America, and with the spiritual blessing of His Eminence Metropolitan Nathanael of Chicago, the Metropolis of Chicago Philoptochos Board is honored to host the Seventeenth Biannual National Philoptochos Children's Medical Fund Luncheon on Saturday, November 16, 2019 at the Marriott Hotel located on the Magnificent Mile in Chicago.

The Greek Ladies Philoptochos Society, Inc., is the largest Christian women's organization in the United States. We serve the sick, the elderly; we give aid to the poor and to those less fortunate, especially the children who cannot help themselves. One of our most worthy assistance programs is the Children's Medical Fund.

The Children's Medical Fund was established in 1989 to provide medical assistance to critically ill children, whose families are unable to afford the necessary medical treatment. The Fund also provides grants for innovative pediatric research programs and hospitals throughout the United States. It is our expectation to reach a significant level of giving which will offer the opportunity to grant substantial awards to children's hospitals, research and special programs to benefit children throughout the Metropolis of Chicago and the country.

In order to continue the Fund, we need your help. As a business committed to helping others, please consider a sponsorship for our upcoming Luncheon. Your sponsorship will include your name in our Commemorative Program book, posting on our Facebook and all social media. We are expecting over 800 guests from across the country. Over 3 million dollars has been raised since the inception of the Luncheon/Fund. Please help us, help the children.

Please make your checks payable to *National Philoptochos, earmarked 2019 Children's Medical Fund*, and send to National Philoptochos, 126 East 37<sup>th</sup> Street, New York, N.Y. 10016. Enclosed is the sponsor form for your convenience.
